Make sure you see the IP address of the local server. In this is example it: 192.268.88. If you read, instead of numbers,: isuma.tv or amazon this mean you are not connected to the local server but to the worldwide web. In such case restart from the beginning, making sure you have the indication "You are connected to an IsumaTV Media Player".

Right click in the middle of the page.

Click on: Save page as

Replace: "Name" by: "playlist.xspf"

Select at the bottom right: "Web page, HTML only"

Then click: "Save"

A window will pop up, click: "Replace"

Press Ctrl Q for quitting this page

Click on "Play" Click on "Add"

Select: "playlist.sxpf"

Click "Open" Press "Play"

Click on the symbol of the loop and press "Play"

Press on the button "Full Screen"

Now your playlist is playing.

To quit: click on quit.

This need to be done every time you want to play an updated playlist.

To change and update your playlist:

- sign in
- go the playlist on the channel of your community playlist channel (www.isuma.tv/DID/tv/CambrudgeBay)
- click on the playlist
- click on edit
- reorganize and update your playlist
